

Moonwalks

Traditional Moonwalk

This model comes in several colors: (RED, YELLOW, BLUE, TEAL AND PURPLE). It has side walls and a back wall, so that kids can bounce off the walls for a good time. It has a front door and an open top.

Theme Moonwalks and more

When you're needing a certain theme or character for your event, Moonwalks for Fun has what you're looking for! All of our inflatables are specially designed by us. We have over 20 different themed Moonwalks some with added extras inside. It's hard to beat our selection and quality.

Enchanted Castle

The Enchanted Castle units are great for all occasions. We have two sizes, 15' x 15' and 20' x 20'. The colorful (red, yellow and blue) exterior is an attention grabber. Inside is a basic jumping area.

Castle Combo Slide

Introducing a new way to have fun. These Castle Combo Slides are 18' x 18' and are available in: (RED, YELLOW, GREEN) (BLUE, RED, YELLOW). All Castle Combos have a rock climbing wall and slide in the corner of the unit. Great for all ages and for any event!

Jungle Combo Slide

This unit recently introduced into the industry! Its palm trees and tan & green color give it a jungle flavor. Inside, its features are identical to the Castle Combo.

Six-Sided Castle Combo

WOW! What a great unit for a backyard party or an event! Moonwalks for Fun just purchased six of these combo units! This model is a Hexagonal Castle with mini-slide and mini-mountain. Great for any occasion!

Slide Combo IV

A value combo ride that matches a jumper in price, but offers so much more! It features a double slide, obstacles and a big jumping area! Great for birthday parties or any other occasion!

Candy Slide

This is one of my favorites from this year's inventory. This brightly-colored model is a double-slide castle with obstacles! Great for all occasions — and all ages!

Tunnel-Slide Combo 1

When you're looking for the perfect unit for your next event or party, this would be the one! One of the larger units that just came into the inventory that is bright and for all ages. A compact version of all the new attractions we carry. This includes a tunnel, slide, obstacle, double access and big jumping area!

Tunnel-Slide Combo 2

We are the first company to introduce the concept of combo games to the industry. This unit is probably one of the most complex inflatables ever developed. Tunnel, slide, obstacles, rocky mountain, double access and a huge jumping area. What else can you ask for?

Combo Units & Obstacle Courses

Fun House

This model is special in design — with a moonwalk and a slide all in one! Originating in Europe, it has monkeys, clowns, trains and much more painted on its exterior. Great for any event!

Crossover Course

This innovative unit — two years in the making — breaks new ground in the obstacle course category. It is the first obstacle course in the industry that manages a straight participant cross-over and separate difficulty circuits for both teams. Participants will never know where they stand until the very end of the race. Teams will have to be focused to win!

Bouncer Maze

Kids need more to be stimulated. The bright, Bouncer Maze provides great fun in a surprisingly small footprint! Backyard birthday parties will never be the same. Great for church, company or school events.

Bouncer Maze 3.0

Some thought the Bouncer Maze design just couldn't get any better. An inflatable game that has everything and fits in a backyard? — now there's another. The Bouncer Maze 3.0 is the new and improved from the original. We are committed to innovation, durability and safety as well as making your event a blast!

Multi Obstacle Course

Moonwalks for Fun has done the ultimate, we brought out an obstacle course that is smaller and more affordable. This is the ideal obstacle course for a birthday party. A fun unit for all ages!

Detachable-Castle Combo

It's a Moonwalk for kids to bounce in, a rock wall to climb and a slide exit. This unit is new to the market and is great for bigger events.

Challenge Obstacle Course

Everyone will be talking about Moonwalks for Fun obstacle courses. We have the brightest, biggest and the best, with more than 5 models to choose from. The Challenge Course is great for all ages and is used for larger events (churches, companies and schools).

Up & Over Obstacle 60'

Great ride for corporate events, fundraisers or sporting gatherings. Plenty of obstacles and a slide for a great time!

Speed Obstacle Course 70'

It's a race — first one to the end wins! Moonwalks for Fun is re-introducing this unit to our customers. Great for all events and all ages!

Adrenaline Maze

Here's a unit that gives participants a lot more action. This double obstacle course includes the only cross-over in the industry. Three modules assemble to create a magnificent challenge. Make a 360° journey through pop-ups, escalators, obstacles and slides.

Jurassic Park Adventure

Similar to the Adrenaline Maze Obstacle Course, but with a Jurassic theme. Three modules assemble creating a course with a 360° journey. Still one of the largest models of its kind.

Interactive Units & More

Bungee Run

All bungee runs are different. Not all of them last for long. Our version provides high resistance to heavy usage where crucial to the experience. We've also developed a specially reinforced suit to provide a safer experience.

2-Person Pedestal Joust

You can feel like a gladiator as you try to take your opponent down! This safe and entertaining ride has been a big success! Includes one set of pedestals, two helmets, and two poles.

4-Person Pedestal Joust

Similar to the 2-person Pedestal Joust, only four people are able to challenge against each other! For all events. This unit is one of our most popular attractions.

Pop-a-Shot Basketball

Extreme basketball fun, for indoor or outdoor event. We have brought the arcade addition into the world of inflatables. Ages for this unit would be 10+.

Sumo Wrestling

Ever thought about putting on a few pounds, to become a sumo wrestler? Moonwalks for Fun lets you try the experience on for size with our sumo suits. We keep our suits clean and in pristine condition. More fun than ever! It includes suits, three piece mats and head gear.

Chicken Fighting

Similar to Sumo Wrestling, only with a chicken suit!

Velcro Wall

Why choose our Velcro Wall ride? Our reputation of providing the toughest inflatables in the industry!

Bouncy Boxing

Perfect ride to take home and share with your spouse. We also include the gloves and helmets for kids and adults. We include two sets each package.

Sports Challenge

Our Moonwalks for Fun version of a classic. We give a safe, durable ride our outstanding quality and workmanship. A great ride for sporting events. Special decor and art are available upon request.

Flip Your Lid

Who hasn't fantasized about knocking someone's head off? Now's your chance. Custom artwork available upon request. This is great sporting event for all ages.

Human Bowling

Imagine you're a bowling ball, you're going upside down and upside down, at the end of the lane are human pins to knock over. Attraction includes an inflatable lane, pins and bowling ball (cage).

Inflatable Twister

Our version of the classic game — with a twist — it's inflatable. A must-have for grown-up parties!

Ladder Climb

Need a challenge for your next event? Try this attraction. Try to walk up to the top of a swiveling ladder without falling. If you do fall — no matter — it's onto an inflatable base.

Human Foosball

Great for High School, NCAA and corporate team building events. This inflatable is just like a giant version of the table game at home. Human Foosball will fit inside any gym or outside on grass or concrete.

Human Volleyball

For your next big event, why not play volleyball inside an inflatable unit we designed? Everyone who sees this will want to play too!

Slides & More

22' Slide

We have the toughest slides in the industry, period. We've improved our sliding and non-slide materials to provide maximum safety and durability. Keep in mind: when shopping for a classic slide, choose the toughest not the cheapest. The quality of all Moonwalks for Fun units is outstanding.

Rock Wall and Slide

We have a variety of sturdy "rock" walls and slides suitable for any age. Climb up to the top of the walk then slide your way down.

Fun Stuff & More

Cash Machine

Our inflatable Cash Machine is a novel attraction to any promotion or event. This unit is inflated and can be filled with cash or prizes. Individuals enter the Cash Machine to grab prizes.

Pro Karts

Imagine a go-kart without a motor. A great team-building exercise or for any occasion.

Motorized Bar Stools

Have you ever wanted to take the chair you've been sitting on with you? We've put little motors under the stools, and attached a steering wheel for a crazy driving experience.

Wacky Trikes

Peddle around on over-sized trikes navigating cones and turns. Get off your trike, get back on. Have fun riding or watching them.

HARD RIDES

Apple Spin

Adding the Apple Spin Hard Ride will generate the revenue you're hoping for. This ride is fun and easy to operate. For all ages including adults. An outdoor activity except where large doorways are present.

NOVELTY ATTRACTIONS

Flip Photo 3-D

Moonwalks for Fun is the only company that has this attraction. It's a portable photo studio at your party! We create a photo memory to take home with you. Choose a custom border to further personalize your memento.

Wax Hands

When it comes to creating Wax Hands, Moonwalks for Fun has the expertise. Layer your hands with wax until sturdy enough to decorate. A fun craft to create and a great souvenir of the event!

Tattoo Airbrush

New to Kansas and Moonwalks for Fun! We have the best ink, equipment and staff for this attraction. We offer different patterns and artwork. If you're looking for something to really WOW everyone, this is it.
